**Make sure you look after your Examination Timetable - it is your responsibility to arrive for the correct exam at the correct time and with the appropriate equipment.**

Due to a change in regulations and fast moving technology, iWatches or any other wearable technological/web enabled sources of information are not permitted and must be handed in on entrance to the examination hall along with Mobile phones. You can put them in your lockers but we strongly recommend that you hand them in to the invigilators for safe keeping or not wear them on exam days. Normal wrist watches must be removed and placed on the desk in front of you or better still hand them in with your phones.

Please read the notices that are included in your pack. They are important, the rules and regulations must be adhered to at all times. Failure to comply could lead to disqualification so it is in your interest to read them. These documents are also on the website along with other information that may of help to you.

If you have any queries, worries or concerns, please see Mrs Haynes or speak to your subject teacher who will be only too happy to help.

**Thank you for your co-operation, we wish you every success in your examinations.  
Good Luck!**
