Dear Parent/Guardian,

### Online Safety

Thinkuknow ([www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)) is an education programme dedicated to keeping children and young people safe online. They are now providing support online for parents and carers during the COVID-19 school closures to help them continue to support children online. Their website pages for parents and carers '**How to support your child at home**' can be accessed online here:

<https://www.thinkuknow.co.uk/parents/support-tools/support-your-child-at-home/>

They are also releasing home activity packs for different ages with short 15 minute activities for parents and carers to do to support their children. These are available here:

<https://www.thinkuknow.co.uk/parents/Support-tools/home-activity-worksheets/>

A useful secondary age parent help sheet '**keeping your child safe online while they are off school**' can be found here:

<https://www.thinkuknow.co.uk/globalassets/thinkuknow/documents/thinkuknow/parents/pdf/thinkuknow-parents-helpsheet-secondary.pdf>

If you have online safeguarding concerns these can be reported to CEOP using the school's website link below where there are other links to online safety advice:

<http://www.universityacademyholbeach.org/page/?title=Internet+Safety&pid=108>

Alternatively, if you have an online safeguarding concern you need to raise with the school, please ring the school on 01406 423042 and ask for a member of the Senior Leadership Team on site that day who can refer your concern to the Designated Safeguarding Lead.

Yours faithfully

Miss S Paige  
Principal
