Dear Parent/Guardian

KS4 PREPARATION EVENING

We are holding our Year 8 KS4 Preparation Evening on Monday 6th March 2017, at 6.30 pm in the main hall. The purpose of this evening is to consider the courses available for your child to study in Years 9 to 11.

During the evening Mr Baragwanath will talk about the wide range of options available and there will be the opportunity to visit subject areas to discuss questions of a general nature with Heads of Department.

In preparation for choosing their options all pupils have participated in a workshop about different careers routes and pathways. They have also experienced Taster Days in subjects that may be of interest to them. Your child can also find additional support from the careers packages: Cascaid and The National Careers Service, both of which are accessible to pupils on the school VLE. Prior to the evening all pupils will receive guidance about post 16 courses and training.

A booklet explaining the range of subjects offered for study at KS4 will be given to pupils prior to the evening and this will also be available on the school VLE.

We do hope that you will attend this meeting with your child so that you will be able to assist them in making the most sensible option choices for the next three years.

Yours sincerely

Miss S Paige
Vice Principal
