Teaching
Career
WITH US!

All trainees in 2015-16 exceeded minimum levels

65% graded outstanding
35% graded good

Very high employment rates - the majority in Lincolnshire schools

Welcome to Lincolnshire Teaching School Alliance SCITT. We are delighted that you are interested in teacher training.

LTSA SCITT (School Centred Initial Teacher Training) works in partnership across Lincolnshire to deliver high quality school-based primary and secondary teacher training.

ABOUT LTSA SCITT

Lincolnshire Teaching School Alliance SCITT is an Initial Teacher Training provider in Lincolnshire offering:

- A bespoke training programme which blends QTS and PGCE
- School-based training from Day 1
- A caring, nurturing and supportive programme for trainees
- Training in a range of schools across Lincolnshire
- Dedicated mentor support
- A dynamic and supportive learning environment
- Strong partnership with the University of Lincoln, including access to the University's facilities
- Ongoing career opportunities and development

"The support from colleagues and staff proves monumental in aiding your success."

LTSA TRAINING PROGRAMME

Weekly training

Bespoke programme jointly delivered by school-based and University professionals

"Learning about the different strategies I can use to differentiate in my lessons was really insightful."

Secondary training

Dedicated subject specialists will help you to develop your subject knowledge for teaching

We believe the best preparation for your career in teaching is to learn from experienced and dynamic practising teachers

Working collaboratively with the University of Lincoln to achieve both Qualified Teacher Status (QTS) and a PGCE

Phonics

Work with a team of phonics specialists

Primary training

Delivered across a range of schools by highly skilled teachers

School-based training programme

In a school setting from Day 1

"Fantastic approach that helped outline relevant planning and gave a number of ideas to be implemented into the classroom."

Central Lincoln Campus

The University of Lincoln was rated in the top 10% of UK universities for centralised, convenient facilities in *The Times Higher Education Student Experience Survey 2016*.

OUR PARTNERSHIP WITH UNIVERSITY OF LINCOLN

The University of Lincoln awards the Postgraduate Certificate in Education (PGCE) with 60 Master's level credits upon successful completion of the programme.

As a student of the University of Lincoln, you can access the same facilities as other University students.

Career Support

The University of Lincoln's award-winning Careers & Employability team can support students throughout their time at Lincoln and beyond.

Award-winning Library

The University's Great Central Warehouse Library is open 24/7 for the majority of the academic year. Resources include more than 260,000 books and ebooks, and approximately 200,000 print and electronic journals, as well as databases and specialist collections.

World-leading Research

More than half of the University of Lincoln's research is rated as world-leading or internationally excellent in the most recent Research Excellence Framework, and students have the opportunity to engage in pioneering projects.

Great Industry Links

The University of Lincoln is recognised as setting a blueprint for excellence in teaching and learning through its pioneering approach to working with industry.

Award-winning Student Experience

The University of Lincoln is a top 50 UK university [*Complete University Guide 2017*] and recognised as one of the country's leading young universities [*The Times and Sunday Times Good University Guide 2017*].

Supportive Community

Access to a range of support services including the Student Support Centre and Student Wellbeing Centre and the University's Disability Service.

Lincoln Performing Arts Centre

A 450-seat theatre which regularly holds high-profile live performances.

UNIVERSITY OF LINCOLN'S ON CAMPUS SOCIAL SCENE

The Platform, Tower Bars and The Swan

Student Union-run venues to grab a bite to eat or a drink.

Engine Shed

Lincoln's biggest late-night venue.

University Sport Centre

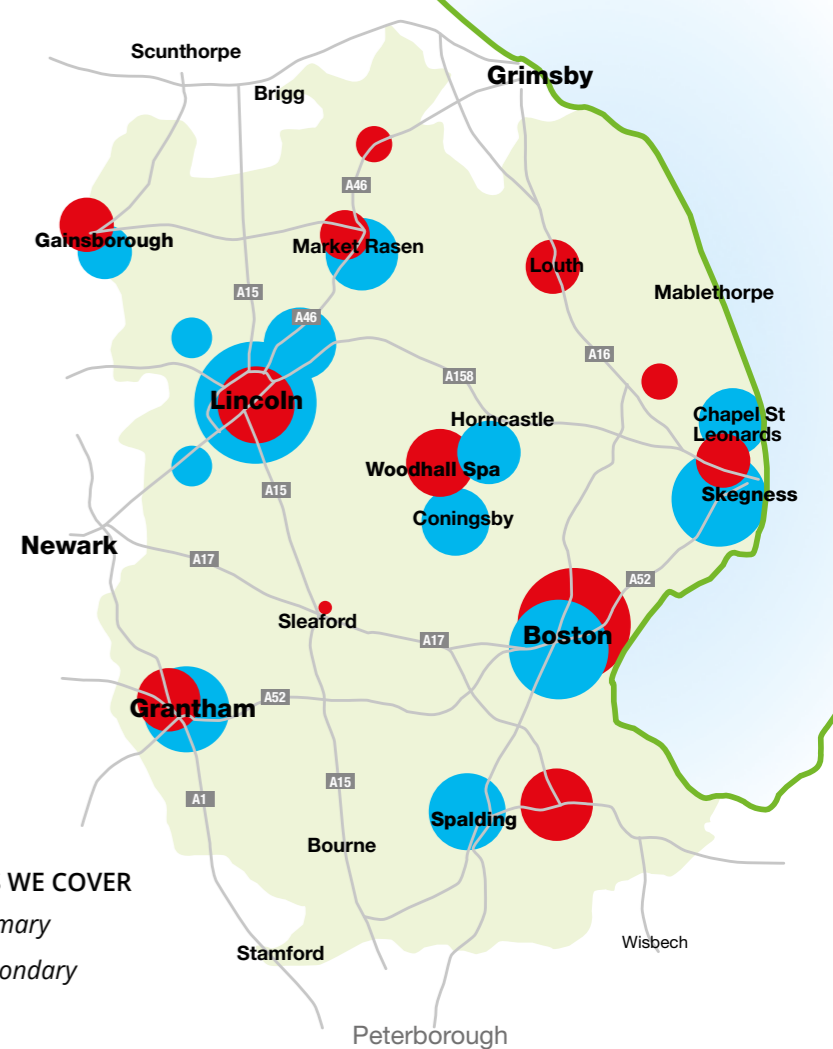

A large selection of modern, specialist facilities. These include a fitness suite, double sports hall, squash, badminton and tennis courts, football and outdoor pitches, a dance studio and saunas.

OUR PARTNERSHIP

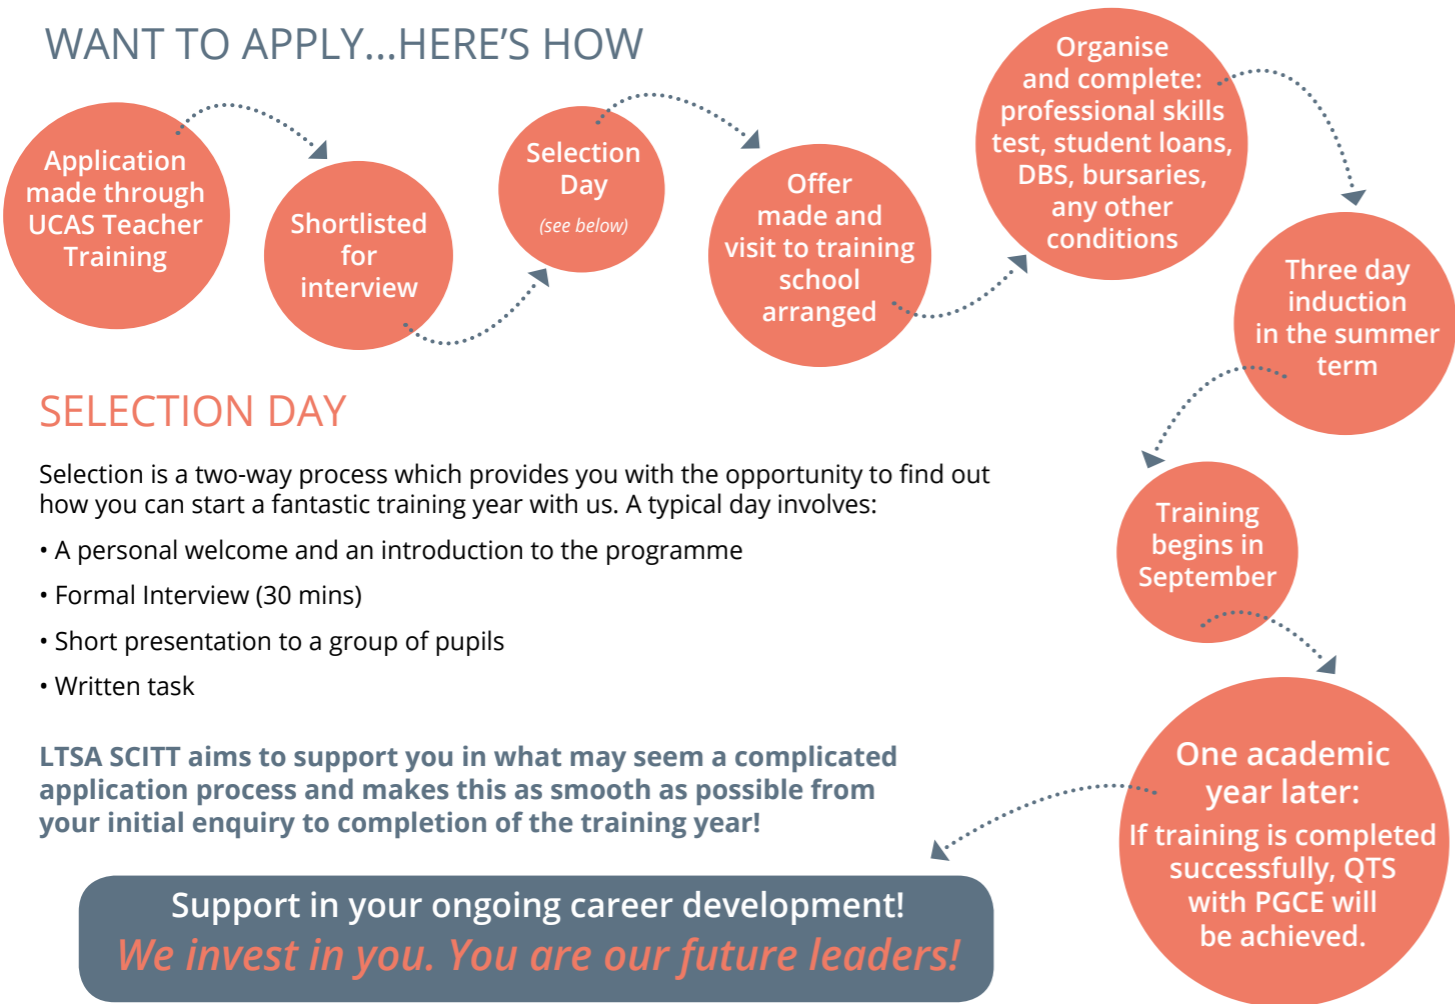

We work in partnership with a diverse range of schools across Lincolnshire, including:

- Academies
- Church of England schools
- Community schools
- Faith schools
- Free schools
- Grammar schools
- Maintained schools
- Mixed and single sex schools
- Selective schools
- Technology colleges

"Fantastic training – engaging, information and educational. Fantastic example and concrete exploration."

WANT TO APPLY...HERE'S HOW

SELECTION DAY

Selection is a two-way process which provides you with the opportunity to find out how you can start a fantastic training year with us. A typical day involves:

- A personal welcome and an introduction to the programme
- Formal Interview (30 mins)
- Short presentation to a group of pupils
- Written task

LTSA SCITT aims to support you in what may seem a complicated application process and makes this as smooth as possible from your initial enquiry to completion of the training year!

Support in your ongoing career development!
We invest in you. You are our future leaders!
