Monday 06th November 2017

Dear Parent / Guardian

Year 11 Science Saturday School

On Saturday 11th November, the science department will be holding Saturday school for year 11 pupils. The session will be held from 9am until 12pm and will provide an opportunity for pupils to revise topics needed for their mock exams in December. During the morning pupils will be provided with refreshments.

I hope that you will support your son/daughter in attending this important session. Science is a vital subject essential to the future success of all of our students and counts as two GCSE's.

If you have any questions about this, do not hesitate to contact me at the school for further information.

Yours Sincerely,

H Pattinson

Helen Pattinson
Assistant Principal - Science
