Saturday School

February 2019

-

May 2019

Dear Parent/Guardian

As you are aware, the school has been successfully running revision classes on Saturday mornings to assist pupils in their preparation for examinations.

Pupils have found these classes to be very useful and an excellent source of support throughout the year. The value of such additional support cannot be underestimated and we hope that your child will take the opportunity to benefit from **all** the classes.

Attached is a list of the classes that will be available for your child to attend until the start of exams in May 2019. The classes are aimed at Year 11 pupils and run from 9am-12pm with refreshments provided in the school canteen.

Your child's teachers will be available for all of the classes unless otherwise stated.

A separate booklet will be issued during the term for **Easter School which will run from Monday April 8th until Thursday April 18th.**

Please could you complete and return the enclosed pro-forma (the last sheet) by **Friday March 1st.**

There is a spare copy for you to retain for your records.

On days where your child studies more than one of the subjects on offer they need to tick each one. They will be guided by their subject teachers of the most relevant subject area(s) to attend.

Enclosed is a checklist for you to monitor when your child should be in.

In the event of poor weather, any cancellation will be notified on the school website or pupils will be notified via letter or email from the school only.

Yours sincerely

S Baragwanath
Principal
