

# Geography

## Equipment List

We recommend that you have the following items for the A Level Geography course:

- 2 folders
- Dividers for each folder
- A4 pad of paper
- Plastic wallets (with punched holes)
- Memory stick
- General equipment, e.g. pens, pencils, ruler, scissors, glue, highlighters.

## Fieldwork

- Towards the end of Year 12 or at the start of Year 13 there will be a residential visit. This is to cover the essential fieldwork skills that the students will need and to gather data for the Non-Examined Assessment (NEA). A cost may be involved.
