## **YEAR 11 EASTER REVISION CLASSES APRIL 2023**

**Monday April 3<sup>rd</sup> – Friday April 14<sup>th</sup>**

Dear Parents/Guardians

As you know revision lessons have been taking place, on Saturday mornings, for examination subjects. We have been very pleased with the response, and many pupils are realising how worthwhile and enjoyable these sessions are.

A further programme of revision will take place during the Easter break. This has become an established part of our calendar and it has proved to be both a beneficial and pleasant way of preparing for the final GCSE exams. With a focus this year on ensuring students are fully prepared to sit examinations in the Summer Term we feel it is important that your child takes advantage of the opportunity to attend additional revision sessions.

It is strongly recommended that pupils commit themselves to a full programme of events that is relevant to the subjects which they are taking. Your child's subject teachers will also talk to them about the importance of attending classes.

I will explain the timetable to pupils in assembly in order that they understand the importance of this programme. Staff have agreed to give up their time to ensure pupils are well supported.

To reward their efforts we will provide each pupil a free lunch and refreshments at break time.

Pupils will need to enter via Pupil Reception and go directly to their normal teaching room.

In the event of poor weather or any other necessary cancellation, you will be notified on the school website or by text from the school only.

We are very grateful for both student and parental support with this initiative and know, based upon previous experience the difference these sessions can make to students final grades.

Yours sincerely

S Paige  
Principal

## Easter Revision
