Saturday School

September 2023 - December 2023

Dear Parent/Guardian

As you are aware, the school has been successfully running revision classes on Saturday mornings to assist pupils in their preparation for examinations. In light of this summer's decline in the GCSE pass rate nationally, support is more important than ever for the current Year 11 pupils. In addition, it is anticipated that GCSE grade boundaries will continue to rise in the Summer of 2024.

Pupils have found these classes to be very useful and an excellent source of support throughout the year. The value of such additional support cannot be underestimated and we hope that your child will take the opportunity to benefit from **all** the classes.

Attached is a list of the classes that will be available for your child to attend until the Christmas Holidays 2023. The classes are aimed at Year 11 pupils and run from 9am-12pm with refreshments provided in the school canteen.

Your child's teachers will be available for all of the classes unless otherwise stated.

Please could you complete and return the enclosed pro-forma (the last sheet) by **Friday September 15th 2023.**

There is a spare copy for you to retain for your records.

Enclosed is a checklist for you to monitor when your child should be in.

In the event of poor weather, any cancellation will be notified on the school website or pupils will be notified via letter or email from the school only.

Yours sincerely

S Paige
Principal
