Apprenticeships at UAH

Context

- First contract was issued in 2009 with 24 learners across 7 frameworks.
- Currently 66 learners on programme across 12 frameworks.
- We have successfully completed 203 learners to date with 79 completing in the last 3 years.

Frameworks

- Plumbing
- Electrical
- Motor Vehicle
- Hair
- Barbering
- Child Care
- Customer Services
- Business Admin
- Construction - Brickwork
- Horticulture
- Supporting Teaching and Learning in Schools
- Children and Young People's Workforce

Most frameworks are offered at level 2 (intermediate) and level 3 (advanced) and are funded for 16-18 year olds or 19-23 year olds.

Funding depends on learner age and the framework they are completing.

The length of an apprenticeship depends on the framework and level.

Apprenticeship Achievement

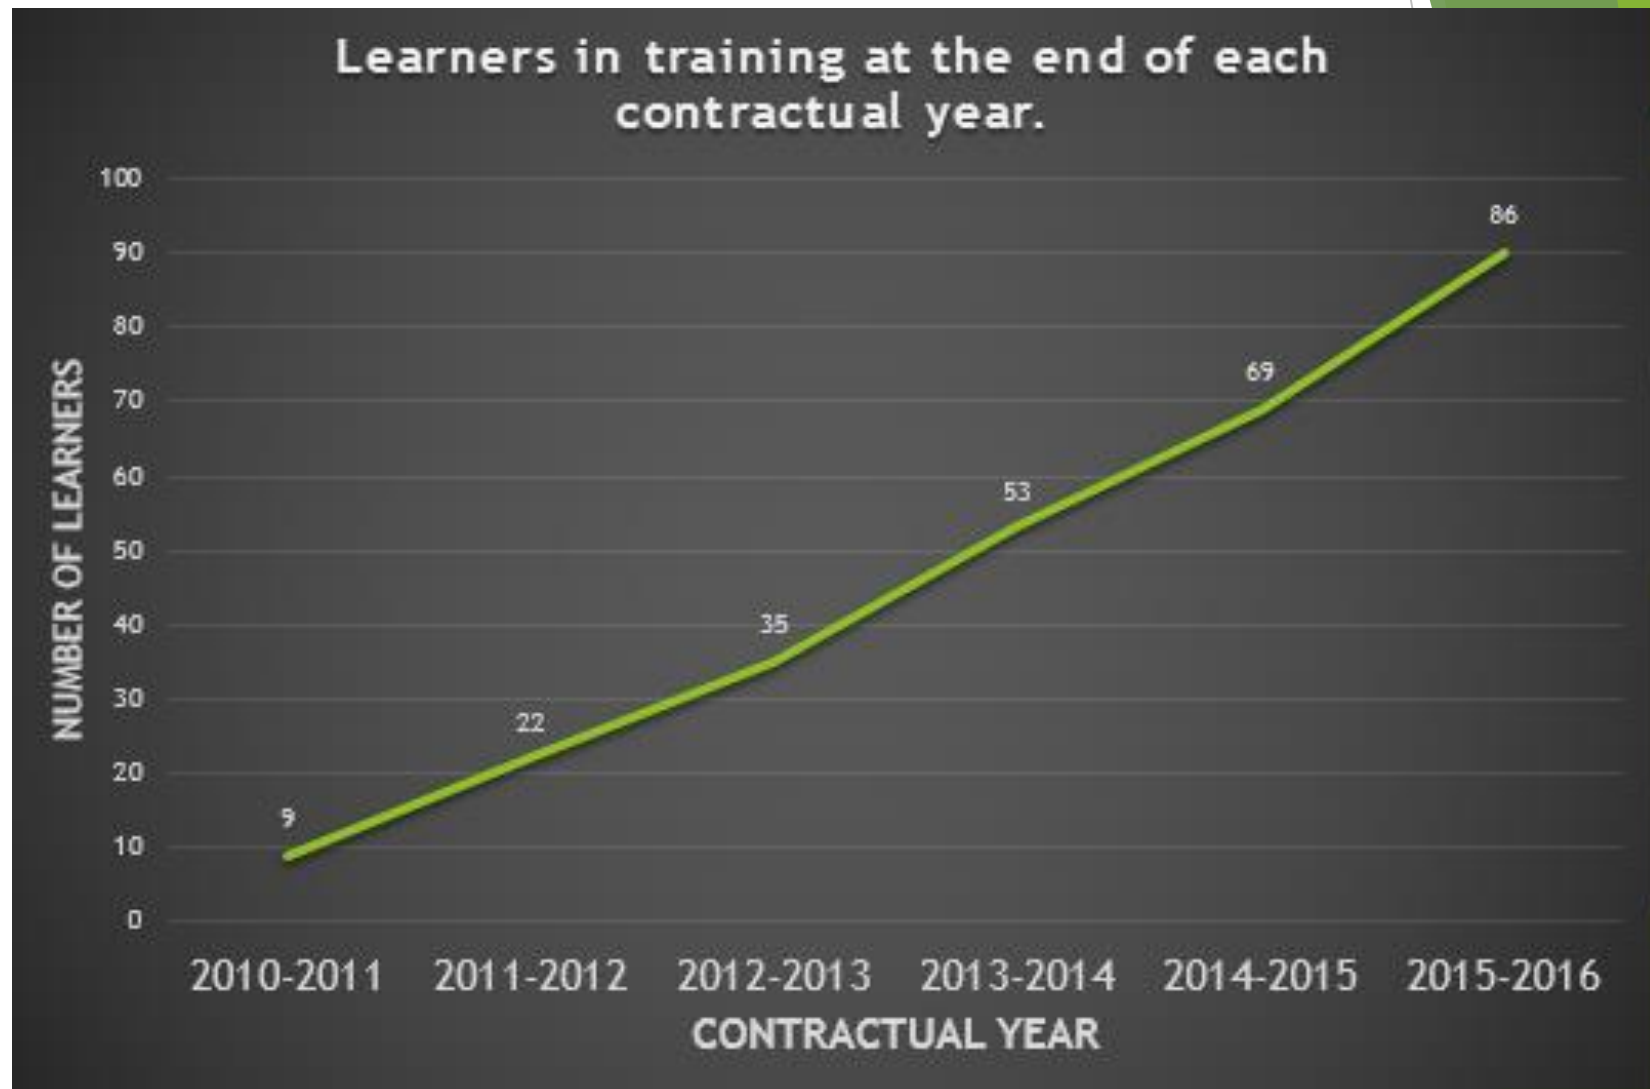

- Learners must complete;
 - An NVQ
 - A technical certificate
 - Functional skills (English, Maths and ICT) if required.
- Learners complete functional skills and the technical certificate at UAH on Mondays.
- The NVQ is completed in the workplace

Benefit to Community

- UAH currently provides apprentices to 61 different employers in a 60 mile radius of the Academy.
- Provides access to ‘earn while you learn’ opportunities to local young people with limited access to local colleges.
- Provides support to local SME’s giving them the confidence to take on apprentices.
- Supplies training to young people to help close the skills gap in Lincolnshire.
