A Message from the Principal

Dear Parents, Carers and learners,

I should like to let you know that, after 28 years at the school, I have taken the decision to retire at the end of the academic year.

University Academy Holbeach is a wonderful school and is so unique. Its uniqueness is not solely about the facilities and the curriculum but also the people who are in it and who support it. It is the staff and the pupils who make it such a special place to be and the reason I enjoy coming to work each day.

This is such a welcoming school and being amongst the pupils and being in the classroom remain the most enjoyable elements of my role. It has been a great privilege and an honour to have worked at the school and to have been a part of its growth and success. My greatest joy has been to watch pupils arrive in Year 7 and to see them develop into young adults who are driven and well-mannered.

Many of you will recall George Farmer, when I joined in 1998 there were fewer than 500 pupils and what is now the staff car park was the main yard. Indeed, I have taught many of you and it brings me great pleasure to meet your children who often tell me that I used to teach their mum or dad either French or Spanish. That said, I cannot deny that being asked 'do you know my grandad' did come as a bit of a shock!

My energy and my love of teaching and being with young people has not diminished, but the time has come to accept that the retirement threshold is upon me. While leading a large secondary school is challenging and demands a lot of hard work, it is the outcomes of our learners and the support of parents and carers to ensure they are doing the best by their children that brings the greatest reward.

I will miss so many things about the school including my chats on the yard about anything from football to music. I should like to thank pupils past and present for all the plays and concerts that I have enjoyed over the years and for their kindness and thoughtfulness whenever I have lost my voice!

The process of appointing a new Principal will start immediately ready for September. I know that whoever is fortunate to be appointed will be warmly welcomed and that pupils will uphold the expectations of trying to do their best at all times.

I wish everyone all the very best for the future.

Yours Faithfully

Miss Paige

Principal's Weekly Update

Dear Parent/Carer

Basketball - I should like to start by congratulating the Year 7 basketball team who have reached the final of their tournament. It was great to see so much enthusiasm and energy during their fixture on Thursday. We wish them all the best in the final. Well done also to the Year 8 basketball team who played in local tournaments this week.

Tutor Group Assemblies – Congratulations to Tutor Groups E in years 7, 8, 9 and 10 who have taken the lead on this week's assemblies. Topics this week have included dinosaurs, the New Year (the relevance of resolutions and new starts) and Martin Luther King Jr Day, celebrated on January 19th, highlighting the importance of tolerance, mutual respect and the importance of standing up against racism.

Year 11 Careers - This week we welcomed Jane Spurden, Early Careers School Liaison Manager from Greencore, who took the time to talk to pupils about employer expectations as they continue to prepare for the world of work. The talk included information on the importance of excellent attendance, punctuality, dress, code of conduct and upcoming apprenticeship opportunities.

Year 9 Parents' Evening - Our evening takes place on Wednesday February 11th. This is particularly important as pupils prepare for their Year 10 Options. Details will be sent out next week.

Weather - With the colder weather it is important that pupils attend school with the appropriate clothing for being outdoors. We wish you well for the weekend.

IMI Motor Vehicle

Tamzyn came to UAH from Stamford College to complete her Apprenticeship in IMI Motor Vehicle.

For four days each week, Tamzyn services customers' vehicles at In-N-Out in Spalding. But says she has learned a lot at UAH while completing her training, has made friends, and finds the facilities and tutors excellent.

When asked why she chose a Motor Vehicle course, Tamzyn said, 'It was a career choice. I wanted to prove to myself and others that I could confidently work on any vehicle in a male-dominated world.'

Tamzyn has always loved cars. 'With my dad and granddad having raced grass track, and my brother now competing in the V6 Classics racing in Norfolk, you will often find me in the pit as his mechanic.'

To enrol on this course, you will need: 5 GCSEs grades 9-1

Department News – Health & Childcare

On Wednesday 21st January, Health and Childcare students enjoyed a visit from a mother and her 14 week old baby. The students observed the baby being bathed, dressed and fed and then had the opportunity to hold her. They were also able to ask questions about the birth, the role of the Midwife and of the Health Visitor. The students demonstrated excellent skills in handling the baby.

The students who took part are hoping to pursue careers in Childcare, Midwifery or Paediatric nursing. They all agreed this was a hugely valuable experience.
